Dear Mr. Frank Dallam,

How are you? We are all fine. I am very sorry I didn't write to you sooner for we didn't know your address. It is pretty hot nowadays. How is it down there? Owen Valley is good place except for wind and dust. We have good food.

All our friends are in just about one group. So far we had vaccination and three typhoid injections. Lot of people were sick but they are all right now.

We want to ask for your favor, whenever you go over our place, will you look after our equipment, tractor, house and field. We wish to go back home, there is no place like home. Wish to hear from you whenever you have time. Good bye and best wishes to you.

Sincerely yours,
Yoshiko Hiroshima
